BS COMPUTER SCIENCE

Sindh Madressatul Islam University

7th Semester

2022-2026

INTERMEDIATE

Nabi Bagh Z.M Government Science College

F.Sc (Pre-Engineering)

2019-2021

EXPERIENCE

React Js Intern | 360XpertSolutions
February 2025 – Present

- Developing responsive and dynamic user interfaces using React.js and Next.js frameworks.
- Integrating APIs and enhancing front-end animations to improve user experience and performance.
- Learning and implementing backend functionalities using Node.js to support full-stack development.

Frontend Developer | CodeBite (NEP-NICS)
October 2023 – April 2024

- Designed and developed user interfaces focusing on responsiveness, layout optimization, and usability.
- Collaborated with design and backend teams to ensure seamless integration of UI/UX elements.
- Enhanced website performance through clean code practices, resulting in improved load times and accessibility.

Web Developer Intern | Linuro Systems
April 2021 – February 2023

- Built static and responsive websites using HTML, CSS, Bootstrap, and JavaScript.
- Self-learned advanced techniques to enhance project quality and independently implemented improvements.
- Successfully transitioned from intern to full-time Web Developer after demonstrating strong technical skills.
